

# GAVeCeLT 2017

10th GAVeCeLT Congress - 11th PICC Day

December 4th-5th-6th 2017, Florence (Italy)

## ***Annual Meeting of GAVeCeLT – The Italian Study Group for Medium and Long Term Venous Access Devices***

### **Scientific Coordination**

Alessandra Panchetti, Fulvio Pinelli, Mauro Pittiruti and Francesca Rossetti

### **Congress Organization**

Millennium Events s.r.l. - [info@millenniumevents.it](mailto:info@millenniumevents.it)

The meeting will take place at the Florence Congress Center (piazza Adua 1) and will include scientific sessions, lectures, round tables, poster discussions, educational courses, satellite symposia and hands-on workshops.

The 10th GAVeCeLT congress (December 4th-5th) will consist of five main sessions (*venous access in ICU - venous access devices in oncology - vascular access in children and neonates - peripheral venous access devices - venous access for dialysis, aphaeresis and filtration*).

The 11th PICC Day (December 6th) will be dedicated exclusively to PICCs and Midline catheters.

For information about the registration to the conference and updates of the scientific program, please visit the website [www.gavecelt.info](http://www.gavecelt.info) or contact M.Pittiruti at [mauropittiruti@me.com](mailto:mauropittiruti@me.com)
